Two black boxes in Baramati Learjet crash damaged in fire: AAIB

TIMES NEWS NETWORK

Mumbai: The two independent black boxes of the Learjet aircraft that crashed at Baramati airport, killing the then Maharashtra deputy chief minister **Ajit Pawar**, sustained fire damage, the Aircraft Accident Investigation Bureau (AAIB) said on Tuesday. The AAIB said specialised support from the manufacturer was sought to retrieve data from one of the recorders, the cockpit voice recorder.

The Digital Flight Data Recorder (DFDR), manufactured by L3-Communications, was successfully downloaded at the AAIB Flight Recorder Laboratory, it said. The DFDR records technical parameters of the flight, such as aircraft speed, altitude and heading. "The Cockpit Voice Recorder (CVR), manufactured by Honeywell, is undergoing detailed technical examination. Assistance has been sought from the accredited representative of the State of Manufacture for specialised support in data retrieval," it said. The CVR records the conversation between the pilots, the radio communications with the air traffic controller and ambient noises in the cockpit. "Both recorders were exposed to intense heat for a prolonged period during the accident and sustained fire damage," it said.

On Jan 28, a Learjet-45 aircraft operated by charter company VSR Ventures crashed during approach and landing at Baramati airport, killing all five people on board. While the fire that broke out after the accident left major portions of the fuselage charred, pictures from the accident site showed the tail section of the aircraft intact.

"Both the black boxes are installed in the tail section and that part of the aircraft was largely intact. In fact, cartons and other cargo stored in the tail section can be seen strewn around in the wreckage with hardly any fire damage. So how did the black boxes sustain so much fire damage?" asked Capt Amit Singh, an air safety expert.

Sunetra meets Fadnavis, seeks CBI probe into crash

Deputy CM Sunetra Pawar and other netas from the NCP on Tuesday met CM Devendra Fadnavis and demanded a CBI probe into the Jan 28 air crash that killed Ajit Pawar.

NCP state chief Sunil Tatkare said the CM assured them that the state govt will communicate with the Union home ministry in this regard. "The govt has already initiated a probe by independent agencies and has said it will order a CBI investigation. We feel a probe by the central agency would be comprehensive," Tatkare said. TNN

Allahabad HC acquits 3 men in their 70s 43 yrs after dacoity conviction

Rajesh Kumar Pandey | TNN

Prayagraj: Allahabad high court recently acquitted three men in their 70s who were convicted 43 years ago in a 1983 dacoity case, ruling that the prosecution's evidence was weak and riddled with inconsistencies.

Justice Arnish Saxena allowed the criminal appeal on Feb 16, setting aside convictions recorded in 1983 by a special sessions court in UP's Badaun district. "Surviving appellants cannot be held guilty for offence of dacoity or any other minor offence," the judgment said, adding that evidence had been incorrectly appreciated at trial, entitling the appellants to benefit of doubt.

Seven men had challenged the trial court's 1983 verdict. The case stemmed from a July 27, 1982, crime reported at Ujhani police station in Badaun, invoking sections 395 (dacoity) and 397 (dacoity with attempt to cause death or grievous hurt) of IPC.

The trial court had convicted Ali Hasan, Narain and Nandey under section 395 and sentenced them to five years' rigorous imprisonment. Omkar, Harpal, Lotoori and Mehdi were convicted under sections 395 read with 397 and sentenced to seven years' rigorous imprisonment.

Haryana STF arrests two Pak youths who fled Jammu juvenile home

Ambala/Jammu: Two Pakistan nationals who fled from a juvenile observation home in Jammu's BS Pura area Monday were arrested 400km away at Ambala Cantonment railway station by Haryana STF.

Mohammad Sana-Ullah of Jaatala village in Muzaffargarh district of Punjab, Pakistan, and Ahsan Anwar of Mohalla Rashid Park, Buchike village in Nankana Sahib district of Punjab, Pakistan, were handed over to Jammu & Kashmir Police on Tuesday evening, less than 24 hours after their escape.

They had broken out of the juvenile home along with a local gangster, Karanjit Singh alias Gagga, who shot at and injured two cops with an illegal pistol. Six policemen deployed at the home, including an ASI, have been suspended for alleged dereliction of duty.

They face a departmental investigation. Search for Gagga is underway.

"Shortly after the breakout, alert was sounded in Jammu region and messages were transmitted to neighbouring states," said a police officer in Jammu. Ambala STF DSP Aman said they received "specific intelligence" about the three fugitives and tightened security and vigil. TNN
